## NEVADA PREPAID TUITION PROGRAM OPENS FOR ENROLLMENT

(Carson City, Nevada) – State Treasurer Brian K. Krolicki, as chairman of the Board of Trustees of the College Savings Plans of Nevada, announced that the Nevada Prepaid Tuition Program is accepting new enrollments in the program until December 31, 2003. Newborns will be able to enroll anytime before the end of the State's fiscal year on June 30, 2004.

"I am gratified that, through programs such as Nevada Prepaid Tuition, young Nevadans across our great state will have the opportunity to receive a college education," said Treasurer Krolicki. "By locking in tomorrow's prices at today's rates, parents can plan for their children's education without worrying about the rising tuition costs at our universities and community colleges."

The enrollment form, master agreement and new pricing schedule are available on Treasurer Krolicki's website at <http://NevadaTreasurer.com>. Nevada residents who wish to sign up for the Prepaid Tuition Program can enroll online or call the State Treasurer's Prepaid Tuition Office at (702) 486-2025 or toll free at (888) 477-2667 to request the forms.
